been redearned or reputated. It has been We need such preachers as the Floren-reputationed. Do rose doubts. You can set-tines had in Savanarola, and the lords and farly yourself by sending your greenbeaks to Washington, and demanding air equal dasp into our minds, a restining sense of smount of bonds for them. The Secretary Where a mercent of BRR, are here in any street of the first and the control of the c

Every itolar of the money paid by the Secretary of the Treasury as a premium on the bonds is, as we have said, a dollar subsappropriated, a dollar applied to fliegitimate and filegal uses, and, not to be too squeaminh in language, a dollar stolen or emberated. No man will prefer the whole in the opportunity the celebration will give them of enforcing upon themselves and their guests the importance of establishing there is Louisville a Humboldt memorial, which shall possess the two-fold mest of over the whole in the treatment to our clip. We home that would cause of the contract of th this who is not either in the bondholders' interest or in some important political interest. Senator Morton, of Indiana, and Senator Sherman, of Ohio, who bear upon their shoulders the two abilit flauncial heads in the United Staics Senate, are directly and strongly committed to the doctrine of the Democracy in regard to the doctrine of the Democracy in regard to the bonds—the doctrine that they shall be paid in exact conformity with the terms of the law authorizing them and the law seitherizing the public debt. Those terms are too plain to be mistaken by any per-sons not resolutely determined to mistake them. Senator Sherman said in a speech in Ohio. "If the law is to covere the in Ohio, "If the law is to govern the case, the principal of the bonds is psychle in greenbacks; if the newspaper advertisebe paid in gold or its equivalent." And here is a paragraph from a speech of Mr. Morion made in the Senate on the 6th of

Are we not becoming so greenly material.

It was not not series until 1886 and as to the option will continue as a to one series until 1886, The Secretary, hasted of continue as a to one series until 1886, The Secretary, hasted of continue as a to one series until 1886, The Secretary, hasted of continue as a to one series as a present paid the premium of twenty to a secrety paid the premium of twenty and the premium of the second, but he suffered on advantage on the first day was under the necessity of withdrawing after the close of the second, but he suffered on a dente of the descretary to the first day.

Business is all very well in its way, but when made the chief end of man is should fill as with apprehension. It is districted that the premium of the second paid the premium of the second paid the premium of the second paid to the second paid to the second paid the premium of the second paid to the
